Which school would you like to apply for? Both of them can be chosen. Please, denote by number if the choice of language means preference:

- University of Szeged (May 19 – May 21, 2011)
- Courses for professors and Ph.D. students
  - Courses for teachers and high school students
- Preferred language:     - Hungarian                       - English
- I need accommodation in Szeged for the time of the school (May 18 – May 21, 2011).
- University of Novi Sad (May 27 – May 29, 2011)
- Courses for professors and Ph.D. students
  - Courses for teachers and high school students
- Preferred language:     - Serbian                                       - English
- I need accommodation in Novi Sad for the time of the school, May 26 – May 29, 2011.

Conditions:

- Participation is free; participants will receive course materials on DVD.
- We have limited possibilities to support accommodation in student hostels. Participants from the other side of the border and participants invited by their results on competitions are of high priority. Travel costs are covered by the participants.
- We ask the participants to give seminar at their workplaces or schools for their colleagues and/or students from the subjects they studied on the courses. A report should be prepared from this presentation, illustrated with photographs, which will appear on the website of the project.

Send the application to both addresses: [horeszt@math.u-szeged.hu](mailto:horeszt@math.u-szeged.hu) (Szeged), [takaci@im.ns.ac.yu](mailto:takaci@im.ns.ac.yu) (Novi Sad) before March 31, 2011.

Date:

.....  
signature of the applicant

.....  
signature of head / director

Please, fill in the sheet on the next page. Thanks.

# Data sheet<sup>1</sup>

Family name: .....

Given name: .....

Qualifications:

- University
- University Dr.
- Ph.D.
- Other:.....

Length of experience: ..... year

Profession, fields of research:

.....  
.....

Courses taught/learned concerned:

.....  
.....

Computing tools available at your work place:

.....  
.....

Please, describe briefly your professional work, result (in special consideration of the application of computing tools), and the expected results of the completion of the schools:

.....  
.....  
.....  
.....  
.....
